# WORK OF THE Y.M.C.A.

State Committee Met Here Last Night.

REPORT OF SEC Y COULTER

It Shows that There is Hopefulness for Extension of the Work-Plans on a Broader Foundation than Ever Before.

State Executive Committee of the Vir-

ginia Young Men's Christian Associations was held last night in the parlor of the Richmond association. The following members were present Messrs. W. M. Habliston, C. E. Wellford, Charles K. Willis, Robert M. Smith, L. M. Williams, .J. Taylor Ellyson of Richmond; Williams, J. Taylor Ellyson of Renmond,
W. S. McClanahan, of Roanoke; Frank
L. Crocker, of Portsmouth; Captain T.
C. Morton, of Staunton; L. A. Coulter,
State secretary; John Lake, 'county secretary; J. E. Hubbard, college secretary;
and W. Reginald Walker, office secretary,
and Mr. W. B. Millar, army secretary
of the International Committee, New
York city.

York city.

Reports were submitted by Stafe Secretary Coulter and from Treasurer Charles K. Willis.

College secretary Hubbard and County Secretary Lake gave verbal reports, which were very interesting.

Mr. W. B. Millar, army secretary, addressed the committee on the work of the association at Fort Monroe, where a commodious building is nearing completion. The chairman was authorized to appoint a special committee in the increase of this work.

The next annual convention of the Virtee. The next annual convention of the Vir-

erosts of this work.

The next annual convention of the Virginia associations will be held in Richmond in March, 1804. The city association will make necessary arrangements for entertaining tip convention, and State Secretary Coulter is in correspondence with speakers for the convention.

The accond quarterly report of L. A. Coulter, State Secretary, for quarter ending September 15, 1903, was submitted last night and is in part as follows: The period covered by this report, from May 18th to September 15th, includes, the months in which there is less association activity than at any other time of the whole year.

The Roanoke Hailroad Department building has been completed, and in a few days will be turned over to the association for occupancy. It will cost, exclusive of furnishings and lot, 38,400.

The building for the Army Department at Fort Monroe will not be completed until November or December. There have been several delays in securing material.

We have had more than the usual number of resignations, and to fill positions are meeting with serious difficulty. Nothing so marks the development of the association cause as the increased number of men employed by the association as secretaries, physical directors, assistants, etc. There are now over 1,700 in this country, making up the employed force of the association.

Mr. B. S. Fenn, for some years general secretary at Roanoke, has accepted a call to Nashville, Tenn, effective September 16th. Successor not yet secured.

Mr. J. H. Sherrill, general secretary effects.

tember 15th. Successor not yet secured.
Mr. J. H. Sherrill, general secretary
Petersburg, Va., resigned to accept position of building secretary at Pensacola,

sition of building secretary at Pensacola, Fla.

Mr. W. J. Kibby, of Knoxville, Tenn., active member and for some time secretary of the Bond Bible Class, Chicago, ill., succeeds Mr. Sherrill on the 19th. Mr. Sherrill will, however, remain several weeks assisting in the work.

Mr. T. M. Brainard resigned secretaryship at Hampton July 1st. His successor has not yet been found.

Mr. H. W. Long, who has been acting temporarily as physical director at Newport News, has resigned to enter the Springfield Training School to take a course in the physical department.

Assistants secured—H. J. Lavis, for Ricanoke; H. M. Blair and O. J. Lloyd, for Richmond; Manley Goodwyn, for Richmond Raliroad Department.

A Fred Cannaday, assistant Bluefield, W. Va., resigned to enter business.

Q. V. Marks, assistant Clifton Forge,

resigned to take course at the Springfield Training School.
YOUNG MEN'S SUNDAYS.
Since our last report thirteen young men's Sunday observances have been held, with two previously, making fifteen during the season.
There were present ten different workers who participated. Three hundred and forty-eight dollars and fifty-two cents was secured in cash and pledges for the State work. In spiritual lines the results were very fruitful. Thirty-four men publicly accepted Christ in services held.
At the May meeting County Committee, composed of Messrs. J. Taylor Ellyson (chariman). C. E. Wellford and Charles K. Willels, was appoined and in July extended a call to Mr. John Lake, who had developed the work in Kentucky, to become county secretary for the purpose of organizing the work in at least one county. On the first of August Mr. Lake entered upon his duties, and after thoroughly investigating by a study of the census reports and conference with members of the committee, it was decided to attempt organization in Fauquier county. Mr. Lake and your State secretary immediately visited Warrenton, secured a provisional county committee and presented the work in two of the churches.

Days covered by report from May 19th to September 15th, inclusive, 120.

During this period I have given some time to financial work, much thought and ondeavor to secure men to fill vacancies in the secretaryship; attended nine of the thirteen young men's Sundays held; was present at the International Secretararies' Conference at Lakewood, N. Y.;
